## TRAVELING SHAVING SET IN EBONY MACASSAR AND BLESBOK HORN

\$590

### DESCRIPTION

This elegant traveling set will be a precious companion everywhere, thanks to its portable size and sophisticated use of exquisite materials that make it a pleasure to use. The case is made of fashionable ebony Macassar wood and leather for contrasting textures. The two doors lock with an ebony closure complete with magnets. The handles of the brush and razor are in blesbok horn. The diameter of the brush is 18 mm, while the razor can be a Gillete Flexball, Fashion, Mach3 or a traditional double-edged, please contact the Concierge for customizations.
