BEIGE TRAY WITH COMPARTMENTS

\$235

DESCRIPTION

This stunning tray is a versatile and elegant object of functional decor that will be a precious addition to a modern home. The rectangular wooden shape is lined inside and out with fine brown leather to match the wood grain, while the external perimeter is marked with natural rope. This marine-inspired design will be suitable on any occasion, to serve drinks or display collectible. An included extractable partition makes this piece a useful addition to a study, powder room, or bedroom.
