TREILLAGE BULGING TEAL VASE

\$420

DESCRIPTION

Marked by a trelliswork design of intriguing allure, this bulb-shaped stoneware vase makes for a splendid decorative addition to modern homes, from entryways to bathroom decors. Its singular shape handcrafted on the lathe is achieved thanks to a deft cutting-out process, finished with a delightful final glazing in soft teal adding chromatic charm to the entire silhouette. A final firing at 1260° completes the look.
