TRIA GOLD CHAIR

\$780

DESCRIPTION

This modern chair is available in different finishes to offer a variety of seats that can be combined together creating dynamic effects. The shell is in multi-layered durmast oak and is curved to comfortably embrace its guest. The structure is in metal with a gold finish that complements the black lacquer of the wood. Either placed around a table, or paired with another to obtain the shape of a bench, this chair will be an elegant addition to a modern decor.
