TRIA SQUARE TABLE

\$2,730

DESCRIPTION

Part of the Tria series, and ideal to be paired with the striking Tria chairs, this piece is a square table that continues the 90 degree angle theme of the series. Its slightly slanted legs are in solid durmast oak wood and are mounted on a top with round corners in Medium Density Fiberboard with a black finish. Vintage charm and contemporary elegance make of this table a perfect addition to a modern decor, particularly in smaller spaces.
