TRIA WOOD CHAIR IN IVORY AND BLACK

\$840

## DESCRIPTION

This striking chair is contemporary and elegant and will make a statement in any dining room. Its seat and back are created by assembling three pieces of multi-layered durmast oak wood painted in ivory and black stripes to create a unique optical effect. The base is in solid natural durmast oak and is made of three legs with a triangular section, connected with three elements with round sections. This piece will bring modern sophistication to any decor.
