TRIANGLES DIAMONDS RUG

\$21,600

DESCRIPTION

A sequence of triangles that transform into diamonds or Diamantina, the decoration on this hand crafted Indian Rug recalls ceramic tiles often used in architectural works, as in the designs of Gio' Ponti. Made from pure Chinese silk using the Tibetan knotting technique, the rug features the subtle colors of taupe, cream, light blue and pink. Knot density: 100 Tibetan knots in square inch.
