Superego Design

TRIGLIFO SMALL SCULPTURE BY ALESSANDRO MENDINI

\$1,610

DESCRIPTION

This colorful totem-like decorative sculpture was designed by Alessandro Mendini for Superego and made entirely in ceramic. Part of a limited series of 50 pieces, all numbered and signed, this sculpture features a series of sinuous elements, all distinctive for their bright colors, positioned one on top of the other. Either alone, or along with the other 11 designs that make this collection of columns, this piece will enrich any room.
