TRIGONO SPHERE VASE

\$390

DESCRIPTION

This unique vase was handcrafted on a lathe and then glazed by expert artisans. The triangular base, which is characteristic of all the pieces in the Trigono collection is glazed in a matte black, while the vase itself, bearing a spherical shape, is decorated with a multicolored linear design in white, green, and red. The fine clay used was forged from Etruscan caves. The round shape of the body of this vase combined with the sharp lines of the triangular base create a striking effect.
