TRIO MIRROR IN PINK, AZURE AND YELLOW

\$5,760

DESCRIPTION

An elegant piece of functional decor that seemingly floats in a frameless design, this modern mirror displays a timeless sensibility that complements any type of interior. Mounted on a slim, brass-varnished wooden support, the three overlapping oval mirrors each feature a different color, painted by hand using ink. The chromatic contrast and aged finish (obtained using a special spray) enhance the two-dimensional effect, adding a bright and reflective element of style to any room. Shape, size, and color can be customized upon request, please ask the Concierge for details.
