TRIONFO SET OF 2 WHITE CANDLES

\$185

DESCRIPTION

Fashioned of non-toxic paraffin wax, this set of two unscented candles - marked by a soft burned and scratched finish respectively - evokes the grandeur of the ancient Roman Empire. Triumphal arches, once built to celebrate victorious generals with their stately silhouette comprised of two piers connected by an arch and crowned by an entablature, are captured in the candles' stylized silhouette. Two cotton wicks emerge from the top, completing the piece.
