TRIPLE GAME BOX

\$1,430

DESCRIPTION

This charming case is a striking box that can be displayed anywhere in the house, while it hides inside three sets of games: chess, draughts, and domino. A wonderful addition to any living room, this box is made in wood with a leather cover that can be customized in color and texture. The sets inside includes boxwood chess and draughts pieces and bakelite dominos. Inside, the playing surface is made of inlaid leather pieces.
