TRIPOLINA CHAIR IN GREEN LEATHER

\$1,470

DESCRIPTION

First designed in 1855, the Tripolina chair has gained international popularity thanks to its versatile and modern design, practical foldable mechanism, and comfortable seating experience it offers. Its structure is made of the finest solid ash in a striking black finish, which elegantly complements the deep green hue of the cover, made of Tuscan vegetable-tanned leather. The polished-brass metal details are a superb final touch that will elevate the look of a rustic-chic interior or sleek contemporary decor. The seat is 32 cm high.
