TRIS SET OF 3 VASES

\$1,090

DESCRIPTION

This trio of black steel tubes has a strong architectural allure, forged in three different sizes and cut on the bias to create an ever-changing perspective depending on how they are arranged. The hand-engraved decorations featured on each vase are inspired by the traditional Sardinian textile art of Sarule. They represent Sa Ciai ("the key"), Sâ€™Essere ("the being"), Sa Rosa ("the rose") depicted on the Sa Burra, an ancient carpet with a vertical frame made of natural raw materials such as sheep's wool and daphne, a local herb. The vases measure (in cm): 15x15x25 H, 20x20x35, and 25x25x40 H.
