TROPHY HORNS SCULPTURE

\$5,400

DESCRIPTION

A captivating decorative piece that expresses Alessandra Serina's masterful skills, creativity and bold style, this sculpture will make a statement in an eclectic and contemporary home. The classic trophy shield is recreated in a checkered pattern of polished black Marquinia and white marbles, with two stylized antlers mounted on an irregularly shaped wall plate. Completely unique, this sculpture is made entirely by hand, and cannot be exactly reproduced.
