TRUCCO SET OF 2 VASES

\$135

DESCRIPTION

Inspired by the Sicilian pottery tradition, this set of vases depicts two typical decorations: the face of a Moor and of a woman. Each piece is crafted by hand, creating a one-of-a-kind decoration that can be displayed with or without a flower arrangement. Each vase is made of ceramic and shaped on a lathe, dried at room temperature, then fired at 980-1050° Celsius and coated with enamel. The decoration consists of red lipstick for the woman and pale-blue mustache for the man. A second firing fixes the vibrant colors.
