LIGHTING : PENDANTS

Fausto Gizzi

TUBES PENDANT

\$2,290

DESCRIPTION

This chandelier is a striking object of functional decor that will add a source of light above a modern dining table, in a contemporary living room, or in an eclectic entryway, while also serving as an eye-catching decoration. Its structure is entirely crafted of brass and comprises three tubular elements equipped with lights at each end, for a total of six lights. These pipes are assembled in different positions and angles that can be easily changed. Each element is 40 cm long, the length of the vertical support can be modified, please ask the concierge for details.
