TUBOSA 70/300 CEILING LAMP

\$260

DESCRIPTION

This elegant ceiling lamp is an ode to sophistication and minimalism and will be striking in a modern interior. Its steel cylindrical body hangs from a metal ceiling rose on a cord 150 cm long and two black fabric wires of .75 mm. Class II IP20. The voltage is 220-240V/50Hz with one included PAR63 8W LED not dimmable 3000K 600LM bulb (max 12W LED E27). The steel has a warm satin gold finish and is also available with a satin copper, satin nickel, or black matte finish. Please consult the Concierge for these options and pricing. Contract and commercial certifications available upon request.
