Le Porcellane

TUCANO SCULPTURE

\$950

DESCRIPTION

Distinguished by the bold and sinuous silhouette of a haughty toucan, this eye-catching sculptural object in black porcelain is an eclectic addition to eclectic and modern decors. Part of the Animali Collection, it showcases a glossy finish that combines with the golden beak, foot, and circles pattern gracing the wings for a result of effortless visual harmony. Please ask the Concierge for other motives and color options available.
