\$5,070

### DESCRIPTION

Meticulously crafted by expert craftsmen, this oval coffee table will be a sublime accent in a traditional or modern living room. Fashioned of wood with a glossy, dark oak finish, the oval table top is accented by a bold concentric rim in gold leaf running along the side, creating a dynamic edge and side profile. The table's defining features are the legs, whose cross-shape is achieved by intersecting horizontal and vertical panels to reveal an angular and stately base.
