Vito Nesta for Les Ottomans

TURQUERIE 2 RUG

\$9,890

DESCRIPTION

Designed by Vito Nesta and hand-knotted using 100% finest New Zealand wool, this round rug is made of two distinctive elements that together recreate a magic and exotic world inspired by the Ottoman Empire, the lavish decors of old Constantinople, and the colors of traditional Iznik ceramics. The two parts feature delicate hues: one is adorned with an elaborate floral motif, and the other depicts an outdoor setting with bamboo leaves and exotic animals. Exquisite and elegant, this piece will complement any decor with sophistication.
