Vito Nesta for Les Ottomans

TURQUIERIE 1 RUG

\$9,890

DESCRIPTION

This magnificent rug was entirely made by hand and is inspired by the fascinating world of old Constantinople and the Ottoman Empire, filled with magic and mystery. The piece is comprised of two separate elements that share the same exotic color combinations and patterns of the Iznik ceramics. The finest wool from New Zealand was used to craft this object that features on one side an abstract decoration in blue and white, and on the other a delightful scene of a girl with a peacock.
