TURQUOISE VIDE POCHE WITH GRAY HORSE

\$150

DESCRIPTION

The Passamaneria Collection captures the essence of timelessness and imparts a touch of subtle sophistication to any room, revealing the beauty behind deceptively ordinary objects. This vide poche is a useful piece of functional decor to be placed near the entrance to collect keys and coins, or simply displayed as an elegant accent on a coffee table. The vibrant turquoise border and colorful Middle Eastern-inspired saddle and noble horse are painted entirely by hand in exquisite details on the white porcelain tray.
