TWINS C LARGE VASE BY GAETANO PESCE

\$560

DESCRIPTION

This two-toned vase features one side in transparent green and the other in blue. While at first, the two halves may seem alike, their soft, resin surfaces are completely individual. The item was originally designed in 1995 by Gaetano Pesce for the Fish Design Collection. Completely made by hand, each piece is one of a kind. Each piece is handmade so colors may differ slightly from the image shown.
