TWIST BY TWIST COAT STAND BY BURTSCHER AND PATRIZIA BERTOLINI

\$490

DESCRIPTION

Elegantly bending and twisting in a sinuous, dynamic dance, the eight beech slats with a dark mocha finish comprising this sculptural work of art will infuse any room with a unique accent of sophistication. This coat stand is an exclusive design by Burtscher and Patrizia Bertolini, and boasts a superb structure rendered stable and firm by the elastic tension of the slats.
