TWIST DARK MODULAR COLUMN

\$7,315

DESCRIPTION

Part of the Twist collection, this modular column is not only a precious display and storage space for books or collectibles, but also a stunning decorative piece that can be displayed in any modern interior, adorning it with a combination of finishes, patterns, and colors. This totem-like piece is made of three modular cubes measuring each 45 x 34 x 45 cm crafted of solid Canaletto walnut with inlays in Canaletto and painted beechwood and details in hand-worked leather with contrasting stitching. The pieces are combined together with supports in brass and can rotate at will.
