TWIST SMALL PURPLE BOX

\$1,745

DESCRIPTION

This precious box in fine crystal is a glamorous and sleek take on traditional crystal pieces. The enthralling conflict between the gold-plated bronze edges, the purple-hued body, and the lid's spherical, clear handle results in a mesmerizing look, whose complexity is emphasized by a pattern of etched grooves following a twisted movement that lends dynamism to the whole. Also available in a larger variant, please contact the Concierge for details.
