## TWISTED TOURIST HANDLE CANE

\$140

### DESCRIPTION

Finely handcrafted by expert artisans, this exquisite walking stick features a black-lacquered shaft in solid beechwood (20mm diameter) with a peculiar conical silhouette enriched by a prized bovine horn tip. The curved, silver-plated brass handle displays an intriguing twisted texture that makes its glossy finish stand out. A brown lacquered shaft version is available upon request. This refined cane is delivered in a nice gift package that also contains a spare rubber tip.
