TWO TONE BLACK LEATHER CHAIR

\$1,190

DESCRIPTION

Minimalist in nature yet comfortable and elegant, this versatile armchair is suitable as an accent piece for any modern interior, from dining room to office. Set on a black matte ash frame, the L-shaped seat and backrest feature fire-resistant foam padding and an elegant 100% genuine cowhide leather cover in midnight black. The gently curved armrests form a continuous line with the legs and infuse an airy and modern look to this eclectic piece that will be a striking addition around a contemporary dining room table, in a living room or home office decor.
