TPLG1 BLACK BRASS TABLE LAMP BY GOODMORNING STUDIO

\$870

DESCRIPTION

Available in three different finishes, this minimalist table lamp is composed of a diffuser in white sandblasted, hand-blown borosilicate glass in a soft, cylindrical shape seemingly suspended on a brass base with a black burnished finish. Elegant and charismatic even when switched off, its evocative design inspired by the water reservoir towers comes to life with a diffused light that will steal the limelight wherever it is positioned.
