## TZSAR SIDEBOARD

\$6,270

### DESCRIPTION

A true work of functional decor, this refined sideboard creates a bold ambiance that will suit the color palette and character of any classic or modern interior. Resting on four saber-style feet, this sophisticated piece showcases three soft-close doors with gray leather upholstered panels and interiors equipped with adjustable wooden shelves. The rear feet (an additional foot is added in the back for stability) are adjustable for optimal alignment to the wall.
