LIGHTING : SCONCES & WALL LAMPS

Alba Gallizia

UBI BRONZE WALL/CEILING SPOTLIGHT

\$1,210

DESCRIPTION

Inspired by raw and industrial elements, this semi-flash ceiling light is mounted on a small, round base and can be turned in any direction to adjust the light where needed. It can be mounted in multiples on the ceiling or on the wall in a long corridor or along the stairs. The bronze bell shapes and solid structure are handmade by highly qualified bronze craftsmen and showcase an elegant, burnished finish outside and natural inside that diffuses a warm light in the surrounding environment. E27 socket base.
