UBI FLOOR LAMP

\$9,325

DESCRIPTION

A perfect example of simplicity meeting functionality, this mid-century floor lamp has a solid burnished brass structure with a satin finish and a bell-shaped shade with a natural-finished interior that diffuses a warm, ambient light. Stretching out from a round base, a wheel on the slender body allows to tailor its height to suit any need, and the sharp bend on top ends with the adjustable shade. The ideal lamp for a reading nook or a living room couch, this task light is available also with natural brass or nickel-plated finish, ask the Concierge for price in these options. E27 base bulb.
