LIGHTING : SCONCES & WALL LAMPS

Alba Gallizia

UBI WHITE BRASS WALL/CEILING SPOTLIGHT

\$860

DESCRIPTION

Modern and versatile, this flash-mounted light fixture is handmade of brass with a bell-shaped shade and a small round base with an adjustable arm that allows either direct or diffused lighting to suit any interior decor need. The nickel-plated exterior strikingly contrasts with the polished interior in a natural brass color that reflects the light with warm tones. Set in multiples along the walls of a long corridor or strategically mounted on a loft's ceiling, this spotlight will be the focal point of the room. E27 socket base.
