Sbigoli Terrecotte Firenze

UCCELLO FANTASTICO VASE

\$210

DESCRIPTION

This late-medieval inspired pharmacy-jar shaped vase was crafted entirely by hand in ceramics and it features striking hand-painted decorations on its surface using colors characteristic of traditional Tuscan ceramics. Represented in the design is a fantastical bird, enriched on all sides by stylized leaves and floral patterns. This piece boasts an antique patina making it especially suitable to a classic style decor.
