UMBRELLAS VASE

\$230

DESCRIPTION

This unique vase boasts a striking silhouette in which the elongated neck is highlighted with a series of fine red lines drawn horizontally, adding a pop of vivid color to its white background. The low bottom is adorned with a series of figures dressed in long Far East inspired clothes, each holding an open umbrella. Entirely crafted of ceramic on the lathe, this striking piece can be combined with other similar ones for a dynamic display.
