UNI LIGHT BLUE ARMCHAIR

\$1,955

DESCRIPTION

This elegant and versatile seat is an ideal addition to any room in a modern home, where it can be used behind a desk, in an entryway, or in the bedroom. Its elegant velvet upholstery comes in 30 different shades that can be mixed and matched around a dining table or in the living room. Its geometric volumes are delicate and well proportioned, distinctive for the hourglass-shaped back. The beechwood structure is painted a dark color, strikingly contrasting with the gold accents and the light blue cover.
