Interia

UNOTER SCONCE

\$240

DESCRIPTION

A modern take to the iconic design of the picture light, this elegant sconce is a splendid object of functional decor that will highlight wall art and mirrors, while also adding a textural decorative accent to a modern or industrial wall. The base is a satin-finish brass gooseneck-shape supporting a black steel element on which is attached to the striking cylindrical bulb, a Linestra 4W dim 2200K 200LM. This lamp is class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27.). For 110V bulbs not included.
