URAGANO DECORATIVE PANEL

\$4,680

DESCRIPTION

This superb decorative panel is the interpretation of a painting by Lorenzo Viani, crafted with the "ravennate" method with marble and enamel tiles applied on a lime base. Surrounded by a metal frame, this striking piece renders in exquisite detail all the shades and rich colors of the painting, whose subject is the Tuscan countryside, where a long-horned ox stands facing a simple horizon of sky and rushes.
