VACCHETTA BLACK LEATHER SHELL COVER

\$110

DESCRIPTION

This stunning iPhone cover is a versatile and sophisticated addition to everyday life, thanks to its striking black color, the softness of its fine "vacchetta" leather, and the highly protective combination of materials that line its interior. The shell is made of polycarbonate with high-impact resistance and is covered with a soft and lightweight microfiber lining. The addition of a super strong and rare magnet, neodymium, prevents the phone from popping out of the shell if dropped. This piece is available for iPhone 6, 7, 8 (and their Plus versions), X, Xs, Xs Max, and XR, and for Samsung S8, S8+, S9, and S9+. Please ask the Concierge for details.
