VEIA II VASE

\$2,860

DESCRIPTION

This one-of-a-kind vase was made with individually selected ceramics and is a unique piece designed by Vincenzo D'Alba. Its elegant and simple round shape is topped with a narrow mouth and highlighted by the timeless color combination of black and tan. The delicate decorations are handmade and mix geometric patterns with abstract motifs and simple, naturalistic drawings. A charming piece to complement any decor, this vase will be a splendid addition to any room in the house.
