Zanetto

VELA BOWL

\$375

DESCRIPTION

Showcased as a centerpiece on a coffee table or an accent on a tall bookshelf, this vase is a stunning addition to any minimalist decor. Fashioned of brass, this bowl is marked by a geometric silhouette with an asymmetrical rim. The unconventional contours are enhanced by the dynamic hammered texture of the surface along the exterior and the contrasting smooth interior. This play on textural and visual elements results in a timeless work of functional decor that will illuminate any interior. Also available in silver, please contact the Concierge for pricing details.
