VELASCA GRAY CHAIR BY STUDIO BALUTTO

\$850

DESCRIPTION

This chair combines a striking, timeless allure with clean functionality in an essential design. It is crafted of solid ash wood worked with a three-dimensional technique by expert hands, exquisitely giving shape to a project by Studio Balutto. The minimal structure holds a padded seat upholstered with gray fabric. An innovative expression of woodworking craftsmanship, this chair is a revolutionary piece as the wood is modeled to resemble synthetic material.
