## VELIA M361 2-LIGHT BLACK & BRASS WALL LAMP

\$1,515

### DESCRIPTION

Best showcased in combination with its table lamp counterpart, this wall lamp will uplift the design of modern living rooms, hallways, or walk-in closets with its geometric flair and elegant color palette. The satin brass structure - comprised of two angular arms extending from a wall plate with rounded extremities - is fitted to a couple of metal diffusers consisting of three piled cones and finished in a sophisticated matte-black hue. Two LED sources (4W each) are included with purchase.
