VENEZIA ROUND TABLE

\$5,580

DESCRIPTION

The striking appearance of this table will add a coveted, stylish touch to any home decor. The exquisite top is made of prized Imbuia wood whose fine, honey-toned wood grain reveals unexpected reddish hues and brownish spots. The stunning base is made of impressive metal wirework, a modern detail which creates a striking contrast with the natural wood top. The table top and base are customizable in a variety of dimensions, materials (marble or glass), and colors. Please ask the concierge for details.
