### VENEZIA SET OF 6 TUMBLERS

\$580

#### DESCRIPTION

Traditional methods are used to create the six modern tumblers of this set that will make a sophisticated statement on any occasion. Versatile and elegant, these superb pieces are crafted of mouth-blown glass with handmade decoration. Large spots of various hues mix with colorful "murrine," highlighted by the silver leaf which will gain a golden patina over time. The bottom of each piece shows irregularities that are distinctive marks of artisanal making.
