VENTAGLI CHINI CENTERPIECE

\$450

DESCRIPTION

This plate features a delicate concave shape and is perfect for use as a centerpiece and can also be displayed on a wall to enhance the decor of any home. This exquisite piece was crafted according to traditional Tuscan ceramic-making techniques. Ventagli Chini decor was the inspiration behind this piece which was made as an homage to artist Tito Chini, active in the 1930's. The bright colors, in yellow, green, and orange, pop out on their white background. This piece comes complete with a wire hook for hanging and it is for decorative purposes only, not for food.
