Officina Ciani

VENTAGLI SCONCE

\$2,690

DESCRIPTION

This sculptural sconce will be a dramatic and sophisticated addition to a modern entryway or classic living room. Its name means fans in Italian, hinting at the three fan-shaped elements stacked in increasing sizes and reflecting the light from their LED G9 bulbs housed in each element. Entirely made of brass, each piece boasts elegant creases, exquisitely crafted to evoke the consistency of paper.
