## VERDE COLLINA SET OF 4 TILES #2

\$120

### DESCRIPTION

Stunning in its simplicity, this exceptional majolica tile is a testament to deft Sicilian craftsmanship and the power of simple colors to create a masterpiece. Entirely hand-painted and glazed for a smooth finish, these tiles boast an elongated diamond shaped design in ivory, elegantly contrasting with the moss-green background for a dimensional, tactile appearance. When combined in a series, this tile reveals a diagonal configuration for an eye-catching effect. Best showcased in a bathroom or kitchen decor, this tile will retain their hallmark vibrancy thanks to its protective glaze.
