VERONA LARGE AND TALL ROUND STORAGE BASKET

\$2,750

DESCRIPTION

Part of the Verona collection, this storage basket is exquisite, versatile, and elegant. It is the product of artisanal expertise and the use of the finest leather that was treated with vegetable dyes to obtain the bright white of its surface. The unique texture is made of strips of leather woven together and it complements the smooth top ring with its two handles. This precious addition to any home will enhance the look of any room, while also being functional.
